

**PUEBLO OF LAGUNA
JOB ANNOUNCEMENT NO. 2017-35**

OPEN TO IN-HOUSE AND EXTERNAL APPLICANTS

POSITION:	Firefighter/EMT-Intermediate
OPENING DATE:	June 23, 2017
CLOSING DATE:	Open Until Filled
DEPARTMENT:	Public Safety/Fire Protection Program
SALARY RANGE:	NE-9; \$27,373 - \$41,059

Position Summary:

Under direct supervision of the Fire Lieutenant, the Firefighter/EMT-Intermediate protects the life, property, and natural resources of the Pueblo of Laguna. Responds to a variety of emergencies, such as structure and wild-land fires, medical and trauma emergencies, hazardous materials incidents, or rescue and extrication emergencies. Consistently applies Core Values supporting Workforce Excellence. Employee must maintain confidentiality of all privileged information.

This list of duties and responsibilities is illustrative only of the tasks performed by this position and is not all-inclusive.

Essential Duties & Responsibilities:

- Works within a Paramilitary Rank structure environment and adheres to and follows the chain of command.
- Responds to fire alarms, emergency medical services (EMS), and all other emergencies when dispatched.
- Locates, rescues, and removes victims from dangerous or potentially dangerous situations.
- Creates openings in buildings for cross-ventilation or roof ventilation as well as for entry.
- Controls property loss created by fire by removing occupants and belongings, diminishing water damage, and conducting proper salvage and overhaul techniques.
- Provides emergency care to injured persons and those overcome by fire, smoke or other life-threatening emergency, evaluates signs and symptoms of patients, and provides prompt and efficient treatment including advanced life support, invasive care, artificial respiration, extrication, and preparation for transport.
- Transports patients to appropriate medical facility and reports to medical facility personnel on condition and care of patients.
- Transports bodies of deceased persons to mortuaries and / or homes.
- Handles large diameter fire hose used for fire suppression and containment of fire.
- Communicates with superior officers or Medical Control Emergency Physician (MCEP) during emergencies utilizing portable two-way radios or face to face communications.
- Inspects buildings for fire hazards and compliance with fire prevention ordinances.
- Maintains apparatus, living quarters, fire station, equipment, and grounds, in good condition.
- Participates in EMS fire drills, equipment demonstrations, and training courses, such as hydraulics, pump operations, and firefighting tactics and strategies.
- Maintains positive relations with community members and agencies by educating and informing on fire prevention and related issues.
- Drives firefighting apparatus such as an ambulance, tanker, pumper, rescue and brush trucks, and operates equipment effectively.
- Assists Lieutenant and Captain with medical records, drug logs and inspection, and quality assurance/quality improvement when directed.
- Maintains technical knowledge by attending training classes and seminars on firefighting/EMS methods, techniques, safety, and related fire prevention activity.
- Communicates with local, state, regional and outside agencies and assists as needed.
- Maintains appropriate documentation on incidences as required by policies and procedures.
- Contributes to overall team goals and performs designated duties and responsibilities with short and long term goals as focus.
- Coordinates emergency scenes with other public safety, local groups/organizations, or agencies utilizing the National Incident Management System (NIMS) and Incident Command System (ICS) as required by Homeland Security.
